#RedSeaTrip Aftermath!

Another active month with a couple of days at Divers Cove, the EFR course and refresher, a club first aid training session and a weekend in the Farnes playing with the seals and the big one... the Red Sea Trip!

The liveaboard was all it had promised to be with superb diving and time spent exploring the wrecks with no less than five dives on the Thistlegorm! Training was offered on board too with divers taking advantage of superb wrecks and super visibility to complete their wreck speciality and the DMTs were also put through their paces.

Next month is a talk from Dr Mark Downs so please come along as they're always interesting and informative. There's lots ahead so have a look at the events and as always let us know if you have any particular interests.

For membership please pay electronically (60-24-77 19361092) referenced "**Club Membership**" and send forms to matt@oceandiver.co.uk.
